**PRIBADI RANDA & PARTNERS**  
LAW FIRM

## Committed to Excellence

Delivering trusted, practical, and business-minded legal solutions to help companies grow with confidence

# Message from the Managing Partner

Welcome to the profile of Pribadi Randa & Partners Law Firm (PRP Law Firm). It is my privilege to present an overview of our practice and the principles that define our work.

At the core of our firm is a singular promise: Committed to Excellence. This commitment is reflected in the way we deliver legal services — with professionalism, integrity, and precision. We recognize that businesses today face increasingly complex regulations, evolving compliance obligations, and significant commercial risks. Our role is to ensure that our clients remain compliant while being strategically positioned to achieve their business objectives with confidence.

Drawing upon extensive government and institutional experience, we bring both authority and practical insight into every matter we handle. Each engagement is led directly by partners, ensuring that our advice is not only legally sound but also commercially effective. We adopt a proactive approach to risk management, anticipating challenges before they arise, and when disputes become unavoidable, we are equipped to provide strong and effective dispute resolution.

This profile introduces who we are, the services we provide, and the values that drive us. I invite you to view us not merely as legal counsel, but as your trusted partner — committed to excellence in advancing and protecting your business.

Regards,

Hans Pribadi, S.H., M.H., CLA., CCD.  
Managing Partner

# About The Firm

Established in 2021, **PRP Law Firm** is a Jakarta-based law firm dedicated to providing corporate clients with legal services that are both precise and practical. Guided by our principle, Committed to Excellence, we combine legal expertise with business insight to help companies grow confidently while staying compliant.

Our experience spans government, institutional, and private practice, giving us the authority to navigate complex regulations and the flexibility to craft solutions tailored to commercial needs. Every matter receives direct partner-level attention, ensuring advice that is professional, strategic, and responsive.

Our core practice areas include corporate and commercial advisory, regulatory and government relations, risk management, and dispute resolution. We view our role not only as legal counsel, but as a trusted partner in our clients' growth and long-term success.

# Key Differentiators

## What sets PRP Law Firm apart

Our distinctive strengths — government and institutional experience, a practical business-minded approach, partner-level attention, proactive risk management, and strong dispute resolution capability — ensure that your legal matters are handled strategically, efficiently, and with utmost professionalism

---

### Government & Institutional Experience

Credibility and deep insight into regulatory processes, backed by experience advising government and international institutions

### Partner-Level Attention

Every client engagement is led directly by partners for personalized service and strategic guidance

### Practical, Business-Minded Approach

Legal advice that is commercially effective and aligned with business objectives

### Proactive Risk Management

Identifying and addressing potential legal risks before they escalate

### Strong Dispute Resolution Capability

Ready to represent clients effectively in disputes, arbitration, or litigation

---

# Our Industry Expertise

## Banking & Finance

1

Assisting financial technology companies and corporate clients with licensing, corporate transactions, and compliance with banking and finance regulations

## Constructions, Logistics & Transportation

2

We provide corporate legal support for construction, logistics, and transportation companies, including contract drafting and negotiation, project agreements, regulatory compliance, and risk management for large-scale operations

## Health Industry

3

We advise healthcare companies on corporate governance, contractual arrangements, regulatory compliance, and operational risk management. We also handle medicolegal matters, providing legal guidance in cases involving patients affected by medical malpractice

## HR Outsourcing

4

Advising service providers on employment regulations, compliance frameworks, and contractual arrangements to ensure smooth workforce management

## Technology & Startups

5

Supporting founders, investors, and tech companies with corporate structuring, investment documentation, IP protection, and regulatory guidance

# Practice Areas

## Legal Services For You

Our practice areas cover the full spectrum of corporate legal needs, from preventive advisory and compliance to dispute resolution. We provide strategic, business-focused solutions designed to protect your interests, mitigate risks, and support your company's growth

# Corporate & Commercial Advisory

## Drafting, reviewing, and negotiating contracts

We prepare, analyze, and negotiate contracts to protect your business interests, minimize risks, and ensure clear, enforceable terms across commercial transaction

## Corporate governance and internal policies

We help companies establish robust governance frameworks, internal rules, and policies that comply with regulations and promote efficient operations

## Legal audits and legal due diligence

Our comprehensive audits and due diligence reviews identify potential risks, optimize contracts, and ensure your business is legally and commercially prepared for investment, transactions, or operational growth

## M&A and investment documentation

We advise on structuring deals, drafting agreements, and documenting investments to facilitate smooth corporate transactions while protecting client interests

## Business structuring & transactions

We assist in creating the optimal corporate structure and executing commercial deals to support business expansion, operational efficiency, and regulatory compliance

# Regulatory & Government Relations

## **Licensing, permits & regulatory compliance**

We guide clients through licensing and regulatory requirements, ensuring full compliance with applicable laws and smooth operational approvals

## **Engagement with government authorities**

We assist clients in communicating with relevant authorities, submitting necessary documentation, and navigating bureaucratic processes efficiently

## **Sector-specific legal guidance**

Leveraging our industry knowledge, we provide legal advice tailored to your sector's unique challenges, regulations, and opportunities

# Risk Management & Compliance

## **Identification of legal and operational risks**

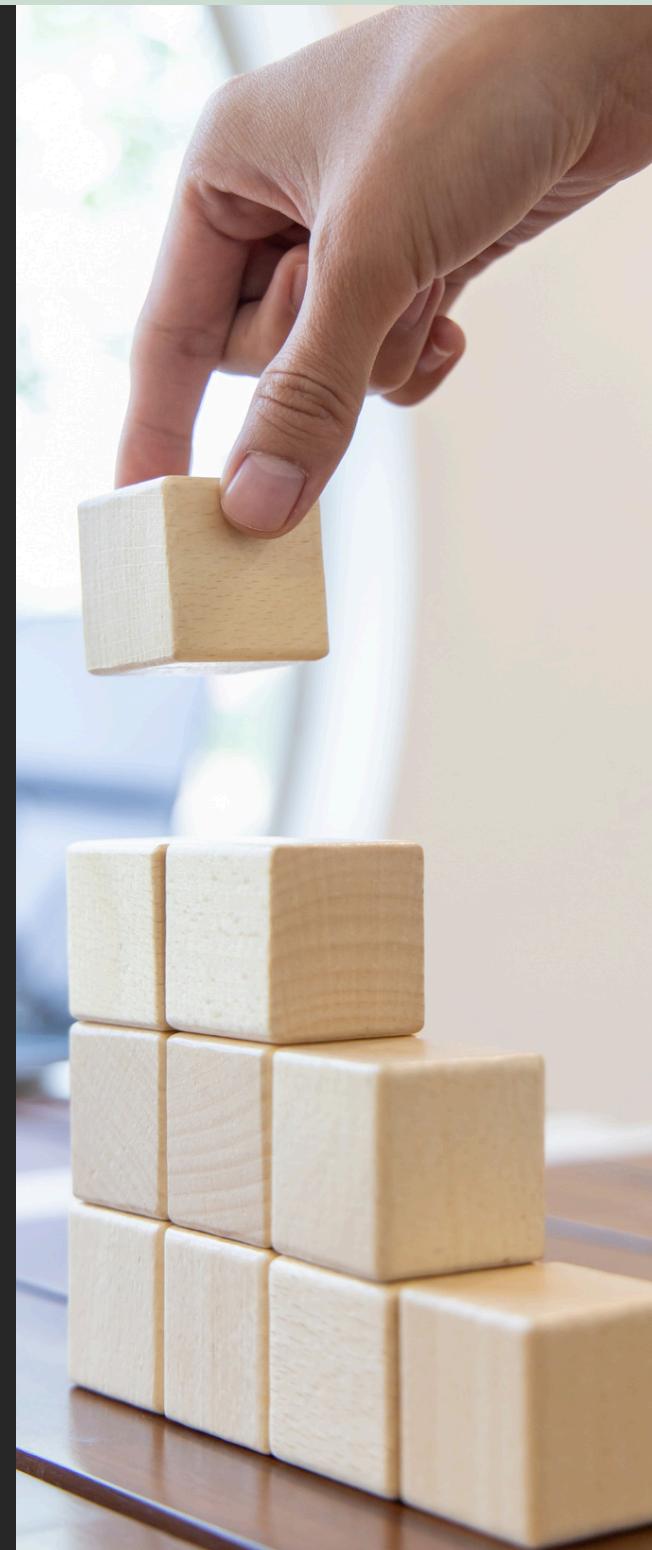

We help companies identify potential legal, regulatory, and operational risks before they become issues, allowing timely preventive action

## **Compliance frameworks & internal controls**

We develop systems, controls, and policies that ensure your business operates within legal and regulatory requirements

## **Preventative strategies to minimize disputes**

We advise on contractual, governance, and operational strategies that reduce the likelihood of conflicts, protecting your reputation and resources

# Intellectual Property

## Trademarks and Branding

We assist clients in registering, protecting, and enforcing trademarks to safeguard brand identity. Our work includes clearance searches, filing applications, and handling oppositions or disputes to maintain exclusive rights

## Copyrights and Creative Works

We provide legal guidance for protecting creative works such as software, publications, designs, and digital content. Our services cover registration, licensing, and enforcement to ensure clients retain control over their creations

## IP Transactions and Licensing

We support licensing, assignments, joint ventures, and commercialization agreements, ensuring clients can monetize their intellectual property effectively while minimizing legal and financial risks

## IP Enforcement and Dispute Resolution

We represent clients in infringement claims, unauthorized use disputes, and enforcement proceedings before regulatory authorities or courts. Our approach combines legal rigor with commercial pragmatism to protect and leverage IP assets

# Dispute Resolution & Litigation

## **Comm. disputes, arbitration, and negotiation**

We represent clients in disputes, facilitating negotiations or arbitration to achieve favourable outcomes while maintaining business relationships

## **Litigation support and court representation**

When litigation is unavoidable, we provide strategic guidance, prepare documents, and represent clients effectively in courts or tribunals

## **Strategic guidance to protect client interests**

We advise on risk mitigation, claim strategy, and proactive measures to protect your company's legal and commercial interests during conflicts

# Our Partners

## Leadership of PRP Law Firm

Our partners bring extensive experience and sector-specific expertise to every engagement. They personally lead client matters, ensuring strategic, practical, and business-minded legal solutions. With direct access to senior leadership, clients receive partner-level attention, proactive risk management, and guidance that is tailored to their company's unique needs

## **Hans Pribadi, S.H., M.H., CLA. CCD.**

### **Managing Partner**

Hans specializes in corporate legal services, including contract drafting, legal negotiations, risk management, legal audits, due diligence, regulatory compliance, and corporate structuring. As a Certified Contract Drafter and Certified Legal Auditor, he brings recognized expertise in delivering precise, reliable, and business-minded solutions. Drawing on extensive government and private sector experience, Hans helps clients identify and mitigate risks, ensure compliance, and optimize corporate governance—while personally leading client matters to guarantee partner-level attention and accountability.

# Tegar Randa, S.H.

## Partner

Tegar focuses on dispute resolution for both civil and criminal matters, providing strong representation in court proceedings as well as strategic guidance for out-of-court settlements and negotiations. With extensive experience in corporate legal matters and legal risk management, Tegar combines a pragmatic, solution-oriented approach with meticulous attention to detail, ensuring every case is managed with professionalism and aimed at achieving tangible results for clients.

# Notable Clients

These are just some of the clients we have had the privilege to serve across various industries, demonstrating our experience in delivering practical, business-focused legal solutions
